Re: June Monthly Report (5/01/00 - 5/31/00)

Dear Mr. Ciaraldi

In response to your letter dated November 1, 2000, I am amending this report per your request.

On our Schedule H2 and H4 we will be disclosing administrative and fundraising activities sometimes as 100% federal and 100% non-federal along with shared activity. In preparing for a fundraising event at issue, the RNC anticipates that funds would be deposited into both its federal and non-federal accounts, treating the fund-raiser as a joint federal/non-federal event. As a result, it estimates the federal as well as the nonfederal share of cost. It is only after the final tally of receipts at the end of the month that it becomes apparent that the proceeds are either 100% federal or 100% nonfederal. As for the administrative expenses that are listed as 100% non-federal, these are expenses for redistricting activity such as phone costs, delivery and payroll costs.

After reviewing the Detailed Summary page, I do not see where we reported excess contributions wrong. Please be more specific.

If you need any additional information or further clarification, please feel free to contact me at 202-863-8755.

Sincerely,

Pat Huyck
Director of Accounting
